

## 2013 Weed Treatment White River Flowage

Travel	\$450.00
Permit	\$270.00
Pre Survey	\$1,400.00
EWM (7.0 acres)	\$4,277.00
CLP (2.9 acres)	\$3,407.60
Post Review	\$200.00
Total	\$10,004.60

Post Review indicated that new CLP at the start of the Flowage.

Note: Most of this was covered by silt from the Wautoma  
Mill Pond drawdown when the Pre Survey was made.

Post Review indicated a few small patches of EWM.

Both CLP and EWM will be monitored to determine when the next  
treatment will take place.
